SCHOOL OFFICE
Groton, Connecticut

January 4, 1929

Gentlemen:-

If you have a circular listing your publications, may we have a copy for our files? We are trying to gather together information as to sources of material, both in book and pamphlet form, on a wide range of subjects, and have ascertained from the publishers' list in the United States Catalog that you do publist certain material.

Yours very truly

S. B. Butler

S. B. BUTLER, Superintendent
1st & 8th School Districts.
